

# FLAPDOODLE™

## How to play FlapDoodle

**Nothing to it, here's how:**

1. Choose one of six crazy characters and put your character on the start space
2. Draw a FlapDoodle card and do what it says
3. If you complete your task, move ahead the number of spaces on the card
4. If you land on a Ms. Goody Gumdrops space, draw one of her cards and get extra help to move ahead!
5. The first person to make it through the FlapDoodle factory wins and everyone will have fun along the way!

**Told you it was easy!**

**Ages 6 & up / 3-6 Players / 30 Minutes**
