Instructions

Contents:

- 70 Memory Match Cards, Storage Tray, Instructions

Object:

Find the most pairs of matching pictures.

Setup:

Spread the cards, face down, on a flat surface.

How to Play:

Youngest player goes first. Players take turns turning over 2 cards at a time. The cards must be turned over completely so that all players can see them. A player makes a "match" if the 2 cards turned over are the same. When a "match" is made, the player puts the pair of cards beside him. The player's turn continues until he does not make a "match." If the 2 cards turned over are not the same, cards are turned back over in the same place, and the player's turn ends.

Winning:

The winner is the player with the most matches when all the cards are turned over.
